

Director Report

November 2014

Student Enrollment

- Continues to adjust. Several new students, some due to lava flow
- Have turned several out of district students away per our policy

Student Attendance

- Still don't have an easy way to track. Hasn't made the priority list.
- Compulsory Kindergarten is a small issue.
- Tracking secondary attendance throughout the day is the most pressing issue.

Student Academic Performance

- HSA & NWEA performance (presentation)

Behavior

- All staff are stretched trying to hold students accountable.
- Tracking remains a problem. Adding a couple of hours to SPED clerk to do data input.
- As we raise expectations, there is a natural push back.
- We need to do more to reward positive behavior - a rewards program is underway. Launching second semester.

Major activities/events

- Hosted several Hamakua Community Development Corporation events
- Hosted Laupahoehoe Experimental Forest Advisory Council meeting
- Re-keyed the campus
- Food Basket Distribution
- Press coverage for break in and food basket
- Received several grants
- Hamakua Times & Ka Lau
- PAGE structuring
- Kahoolawe Trip
- Several field trips
- First two of four Ohana dinners
